Season of 1948

These prices are for good, strong, substantial trees, shrubs, or plants with a good root system and true to name. It is not the light grade, poorly rooted, unreliable stock so much used in mail order and department store trade which is expensive at any price.

Varieties not listed, write for quotations.

In order to be fair to the small purchaser as well as the large we give a single, ten and 100 rate. Five trees or plants of the same variety and size will be furnished at the 10 rate 25 will be furnished at the 100 rate. Less than 5 plants of one variety and size must be figured at the single rate, 25 of the same variety and size, or 50 of the same class as peach, apple, etc. will be furnished at the 100 rate, 250 at thousand rates if quoted.

TERMS-Cash or satisfactory reference.

PARCEL POST—Most small parcels can be sent by mail cheaper than by express. Postage charges must be paid by the purchaser. Unless postage is included with order it will be sent by Express.

SHIPPING DIRECTIONS—Always give full name and address and state how the shipment is to be sent. All small packages should be sent by express or mail and berry plants should never be sent by freight.

LARGE ORDERS—Special quotations will always be made on large orders. Write us stating the quantity desired and the probable varieties. We will duplicate any offer made by anyone, size and quality considered.

COMPLAINTS—All complaints for shortage or damages to stock must be made to us immediately on receipt of goods and no complaint will be considered unless made within 10 days of receipt of stock.

VISITORS-Are always welcome and are invited to our nurseries.

Please note that the 10 rate does not apply unless the order calls for not less than 5 of the same variety and size. It does not apply to 10 plants made up of one or two of a variety.

Red Haven Rochester Salberta South Haven Sunglow Wilma Zarn

IMPROVED HALE—Similar to J. H. Hale, ripening at the same season, but a much stronger growing tree, more hardy and a far better bearer as it is self pollenizing.

ZARN—One of our own introductions. Many large growers consider this the very best variety they have in their orchard. As large as Elberta, and better colored and far better quality. Bears evenly on the colored and far better quality. Bears evenly on the tree and does not overbear. Holds up well after picking. Ripens about a week ahead of Elberta. We have been growning Zarn for 25 years or more and there are many thousands of bearing trees in the Ohio peach section along Lake Erie. Many who operate roadside markets tell us it is the best seller they have and that their patrons call for it by name day after day and year after year.

VARIETIES — Brassington, Early Richmond. Large Montmorency and English Morello. BRASSINGTON—A sub acid variety, between a sweet and a sour. We consider it the very best variety for home use or roadside stand. People who buy it once always come back for more. Tree very hardy and a splendid stocky grower with foliage almost impervious to fungus diseases. Seldom fails to produce a crop.

MAGNOLIA, Flowering, Pink and Red	
These are plants imported this season and cannot be brought in with earth on the roots.	
They are beautiful plants with a big mass of	
fine roots and should grow well. They will	
be sold this year with bare roots:	
2-3 ft., with flower buds	5.00
We have some of our own growing with balled roots:

What Some Customers Say

We give a few excerpts from a few letters received last summer. We receive many such letters every year.

Springfield, Mass., Apr. 11, 1947 Inclosed find postage stamps for parcels post on rose bushes.

Please accept my thanks for swell bushes sent me. Your stock has always been A No. 1. Yous truly

My order came through in perfect condition. I was much pleased with the quality. Very good root system. Had a rain today which made the strawberries Marseilles, look fine. Sincerely

I received my roses and scions in good condition.
Thanks loads for your trouble in cutting the latter.
I will always recommend your nursery to any and all likely customers.
Yours Sincerely

Duncan Falls, O., April 19, 1947 I received my shipment of nursery stock today, and I want to say that I am highly pleased with the order. The trees arrived in wonderful condition and the hard maples are superb. The trees are fully as advertised and are good strong stock.

the hard maples are superb. The trees are lully as advertised and are good strong stock.

The canna roots are vigorous and I am sure they will come along nicely.

The packing and labeling of the fruit trees was very well done and the shipment arrived in excellent condition.

Thanking you for your service and for the fine selection of the stock which you shipped me I remain, Yours Very Truly.

Cleveland, O., May 6, 1947
I received my roses, I must say they are nice ones.
I have bought from three different nurseries this Spring as we have just bought our place, and you have the healthiest stock and best rooted of all. I thank you for sending me such lovely rose bushes.

I am.....
